

VINAY KUMAR

AI & ML Engineer | Full Stack Developer

Delhi, India | vk8964210@gmail.com | +91 9891648446 | [Portfolio](#) | [GitHub: vinaysingh-05](#)

PROFESSIONAL SUMMARY

Aspiring AI & Machine Learning Engineer with a passion for AI, IoT, and Full-Stack Development. I enjoy building intelligent, scalable, and user-focused solutions by combining Machine Learning with modern web and mobile technologies. Currently strengthening my skills in Python, C++ and Data Structures & Algorithms while working on projects that transform ideas into impactful products. Always eager to learn, collaborate, and innovate.

TECHNICAL SKILLS

Languages & Core: C++, Python

AI & Machine Learning: Deep Learning, Generative AI, AI Frameworks & Tools

Web & Full Stack: React, Next.js, FastAPI

Design & Cloud: Figma, Canva, Firebase, Anaconda, Vercel

AI Automation : n8n, Relay.app, Make

WORK EXPERIENCE

Machine Learning Engineering Intern — FlyRank Corp.

July 2026 – August 2026

- Built, trained, and fine-tuned predictive machine learning models.
- Assisted in optimizing model performance and deploying ML algorithms.
- Applied advanced data wrangling and feature engineering techniques.

AI Automation & Intelligent Solutions Intern — IBM | AICTE | BharatCares June 2026 – August 2026

- Designed and deployed AI-driven workflows to automate routine tasks.
- Built and integrated intelligent solutions using advanced AI frameworks.
- Collaborated on projects addressing real-world problem statements provided by BharatCares.

Logistics Manager — Impact HealthCare

May 2023 – April 2024

- Managed logistics operations and supply chain coordination.
- Optimized delivery schedules and inventory tracking.
- Developed leadership and team management skills.

EDUCATION

B.Tech in Artificial Intelligence & Machine Learning

Aug 2024 – 2028

University School of Automation & Robotics (GGSIPU, Delhi)

- Specializing in AI and Machine Learning.
- Building a deep technical foundation in C++, DSA, and Automation.
- Active member of college tech societies and development clubs.

CERTIFICATIONS & BADGES

- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate — Oracle
- AI Automation & Cloud Computing Verification — IBM
- Fundamentals of Generative AI Models — Google
- GenAI-Powered Data Analytics — Tata

- IoT & Digital Transformation Verification — Cisco / Nasscom
